

For immediate release:

Company: Brainseed Global Enterprises LLC.

Address: Alexandria, VA and in Times Square, NY.

Brainseed Global Enterprises LLC announces an agreement with Prometric Testing to assume operations of their testing centers in Poughkeepsie, NY, and Salisbury, MD.

Brainseed Global Enterprises LLC, purveyors of Brainseed Testing Centers LLC, today announced her agreement with Prometric Testing to assume operations of their testing centers in Poughkeepsie, NY, and Salisbury, MD. This transition will take place in early 2018 with testing scheduled to begin in both locations by March 2018.

Brainseed Testing currently operates centers in Alexandria, VA and in Times Square, NY. This will bring total facilities operated by Brainseed Testing to 4 by the spring of 2018.

Assuming these two new locations is a unique arrangement since Prometric normally allows only certain tests to selected testing centers. However, in this case, Prometric will allow Brainseed Testing to deliver its full complement of tests, of which there are hundreds.

Brainseed Testing is a growth company chasing enormous opportunity ahead of it. Our employees have been the DNA of our success, and we're excited to use the talent, experience, for Prometric Testing centers in Poughkeepsie, NY, and Salisbury, MD.

With the leadership of Brainseed's highly-successful management team, we are bullish on our ability to seize the green field opportunity ahead and remain the market leader in this testing industry.

Brainseed's President, Will James, stated – "What a way to bring in the New Year by doubling the size of our company. We will provide the same level of service and test security at these new sites as we provide at our current centers. I am, as well as staff, are very excited."
